Artifact 16

- Sprint 6 (Oct 17th 2022 - Oct 24th 2022)
- Scrum Master: Timothy Trusov
- Members: Tim, James, Zak, and Philip

- We did well:

- Philip

We made a decent amount of progress even with two sick members.

- Zak

The switch in teams was an effective way to learn the different parts of the project.

- James

We came to a defined idea of how the project is structured.

- Tim

A more defined roadmap for the project.

- Needs improvement:

- Philip

Reaching out for help earlier

- Zak

More involvement in project work

- James

More complete completion of cards

- Tim

Increase communication

- General Notes:
- Next Scrum Master: James
